ENG

At Boska we're crazy about tools and have been for over 120 years! We make Food Tools for Life and believe in less waste by designing products that last a Lifetime. It all began near Gouda - Holland, where blacksmith Willem Bos, made his first cheese tools for the local farmers. From that day on it's our family tradition to create fun & smart tools for enjoying cheese, chocolate, pizza and more. We love it! So whether you're cutting, slicing, grating, grilling or melting, we help make mouthwatering eats - bringing the Party to your table. Enjoy!

Fourth generation owner of Boska, Martijn Bos - Food Tools for Life!

Brand Promises

1. Distinctive Quality

Best tested and 10 year guarantee

2. Timeless design

Topped off with multiple design awards

3. Smart and fun to use

Providing the best food enjoyment

4. Best price/quality ratio

Affordable for the many

The 3 things we do best!

1. Consumer Food Tools

Boska stocks the biggest range of high-quality cheese tools in the world. We even claimed a whole new category for it:

Cheesewares. Our product range is available in 90 different countries and is extensive, collectable and giftable too.

In 2018 we added Chocowares to the assortment. Other food groups will follow so keep an eye on us.

2. Professional Cheese Tools

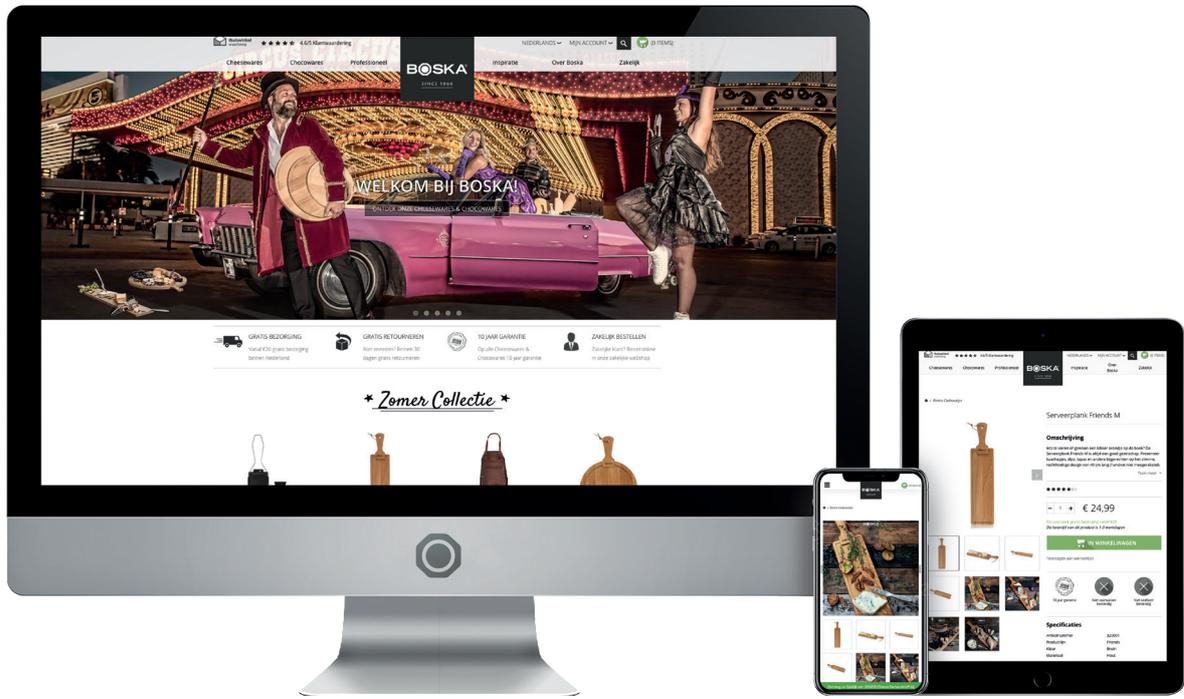

Our roots lie in Cheesewares for cheese professionals. From the cheesy heart of the Netherlands, we work closely together with cheesemakers and cheesemongers. We help them to cut cheese efficiently, present it beautifully in their stores, and increase their cheese sales.

3. Co-branding

Together with other brands we develop custom-made Foodwares. We even design complete product lines with retailers and monobrand. We won't back down from any marketing challenge. Let's make some cool food tools together!

Amsterdam

Boska x Van Gogh Museum

"What is done in love is done well"

Vincent to Theo van Gogh, Amsterdam Wednesday, 3 April 1878

A quote which Boska can relate to. Our deep-rooted passion for high quality products and our love for cheese drives us to keep looking for the best Cheesewares. With our durable design tools for cheese, we want to bring people together. Because just like art, cheese is best enjoyed in company. This special Boska collection honors the painter Vincent van Gogh. The collection is decorated with Van Gogh Museum masterpieces:

Almond Blossom, Sunflowers and Wheatfield under Thunderclouds.
